Hebrew: Native
English: Working Proficiency

About

I am a UX/UI and Visual Designer with a background in art direction and set design for the film industry. I leverage my experience in crafting physical environments to translate user needs into intuitive, highly visual digital interfaces.

Experience

Graphic Designer

Heidia LTD | 2025 - Present

- Design print and retail marketing solutions for major brands.
- Create high-impact visual assets that directly influence the consumer experience in the physical world.

Freelance UX/UI & Graphic Designer

2024 - 2025

- Developed branding and comprehensive UX/UI website design for Double Shesh Productions.
- Managed end-to-end design projects for diverse clients across print and digital media.
- Created digital visual assets, including social media campaigns and podcast cover art.
- Designed promotional materials for film festivals and theatre groups, combining art direction and photography.
- **Highlighted project:** **Double Shesh - Brand Identity & Website**

Freelance Art Director & Set Designer

2021 - 2024

- Led art direction and set design for film, commercials, and music videos, translating scripts into immersive visual worlds.
- Managed projects from concept to execution, overseeing props, set dressing, and costume styling.
- Award-Winning Designer: Won Best Art Design at the Cinema South Festival for "Paradise Express".
- Designed for "Yes", "Death In Umm Al-Hiran" (Docaviv Winner), "Hide and Seek" (Jerusalem FF Selection).
- **Highlighted Project:** **I love you - Music video**

Education

- UX for Complex Systems: Practical Course, HackerU. 2026
  Focused on designing B2B enterprise systems, emphasizing data visualization and streamlined user workflows.
- **Highlighted Project:** Zenthor - B2B Dashboard. **View**
- UX/UI & Graphic Design: Professional Certification, HackerU
  2024 - 2025
- **Highlighted Project:** Mindfulness App Case Study: Research & Design. **View**
